

JBNA Directors' Report: March 28th, 2020

Note: CRD and City staff are monitoring the COVID-19 pandemic; while many projects are proceeding, any project/schedule could change without notice:

CRD Wastewater Project: Project contractors have implemented additional precautions to ensure the health and safety of their workers. Work on Dallas Road continues with landscaping being completed up to Lewis Street in the next week. Final paving from Douglas to Lewis Street will take place beginning the week of April 6. On-street parking in that area will be impacted during this work.

City of Victoria and Dallas: The balustrade work is continuing. However, a schedule and/or timeline has not yet been distributed.

Neighbourhood Local Area Plan Project: The JBNA Board is continuing an internal scoping project related to the upcoming review of the Local Area Plan.
