

Re: JBNA April 14th ZOOM Forum

Many of you responded to our December and January request for input focused on cruise tourism in our neighbourhood. Thank you.

The April meeting will be an opportunity to review the findings of our review and to get feedback on proposed approaches to a cruise-restart in Victoria. The “asks” to be made of various levels of government and the industry and the landlord, GVHA.

We are presenting “asks” before completion of the report for two reasons. First, to get feedback. Second, because we will not be able to present the paper to another JBNA general forum until fall. The JBNA agendas for the May, June, and July forums are full.

In May, City of Victoria Transportation staff will return for a second look at the proposed / planned bike lanes for James Bay. In June and July, three land-use zoning proposals will be presented.

April 14th, 2021, 7pm, JBNA Discussion Forum:

Agenda:

- 1) Welcome and Announcements**
- 2) Rethink before Restart: Cruise Tourism**
 “what we heard”
 and
 “the ask”

- 3) Community Voices**
Opportunity to raise and discuss topics of interest.
