Implementing Feedback: Our Plan

The JBNA is hiring a Community Coordinator with the goal of:

- Connecting with Surfriders for beach clean-up
- Organizing volunteers for a “Pick-up Litter” team
- Identifying areas of poor accessibility and reaching out to property owners/the city for improvements
- Proposing additional projects that are within the role of the JBNA and are of benefit to our neighbourhood based on survey results

Competition closes at 5 pm, September 18th, 2024
