A hand-drawn speech bubble with a thick black outline and a light brown fill. The bubble is centered on a dark grey, textured background. The word "Why?" is written in a bold, black, sans-serif font with a white drop shadow, positioned in the center of the bubble. The entire scene is set against a light green background with rounded corners.

Why?

How many days of commercial food reserves do we have on the island in off seasons?

2-3 Days

Food Sovereignty

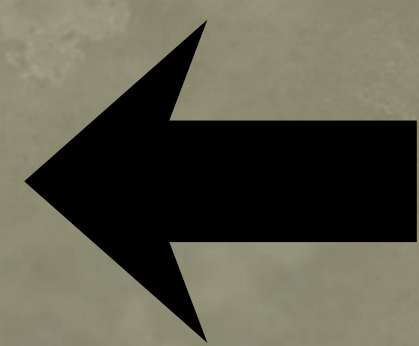

The right of peoples to healthy and culturally appropriate food produced through ecologically sound and sustainable methods, and their right to define their own food and cultural systems.

- La Via Campesina

Food Sovereignty

...puts the needs of the people who produce and consume food at the heart of the system, rather than the demands of markets or corporations.

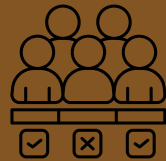

Cooperative Principles

- What would it mean to democratize our food system?
- How might we actually do it?
- And where on Earth do we start?!
